### REASONS FOR ALLOWANCE

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. The references cited on the PTO-892 each disclose a pickup unit including actuators for moving a lens holder..

The following is an examiner's statement of reasons for allowance: the prior art of record considered as a whole fails to teach or suggest a pickup unit (1) for reading and/or writing data on a disk (2), comprising a lens (3) in a lens holder (4), a base (5), a suspension for suspending the lens holder (4) from the base (5), which suspension enables the lens holder (4) to be moved with respect to the base (5) at least in a focusing direction of the lens (3) under the action of a focusing actuator acting between the lens holder (4) and the base (5), and further comprising either:

**1) a pullback arrangement (9) for moving the lens holder (4) into an inoperative position at least during reading and/or writing of data on the disk (2), wherein the pullback arrangement (6) comprises at least a first pullback member (7) provided on the base (5), at least a second pullback member (8) formed on the lens holder (4), and a pullback actuator (9) adapted to act on the first pullback member (7) to bring it into contact with the second pullback member (8) and to move the lens holder (4) into the inoperative position; or**

**2) a locking arrangement (12, 12') for locking the lens holder (4) with respect to the base (5) in at least an inoperative position of the lens holder (4), wherein the locking arrangement (12, 12') comprises at least a first locking member (13, 13') connected to the base (5) and movable in a direction substantially perpendicular to the focusing direction, at least a second locking member (14, 14') formed on the lens holder (4), and a locking actuator (15, 15') adapted to act on the first locking member (13, 13') so as to move the first locking member (13, 13') into engagement with the second locking member (14, 14').** (bold language emphasized).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
